AEV
THE AMERICAN-CRAFTED EXPERIENCE™

Crafted for Safety— Inside and Out.

At AEV, we craft ambulances with vital safety technologies and solutions to protect crews and patients during every run. From pioneering industry-first innovations to validating the robustness of our engineering and construction, AEV is leading a new era of safety for first responders. It's all part of our manufacturing excellence—a foundational element of our company's DNA. Our focus on safety begins with how we build our ambulances. We take the greatest care to protect our team as they meticulously craft each AEV product. Explore some of the ways our ambulances are specially crafted to ensure crews can perform their lifesaving work with confidence, surrounded by advanced safety features that help protect all on board.

**REAL-WORLD, DYNAMIC, HIGH-SPEED
CRASH TESTING**

SAFETY FEATURES

ROLLTEK® AIRBAG SYSTEM/PER4MAX® SEAT BELTS

AEV Type I, Type III and Medium-Duty ambulances are available with the RollTek airbag system and the exclusive Per4Max multi-point restraint system. Together, they give first responders the freedom to do their job and the confidence they'll be protected in the event of a rollover. Per4Max seat belts are standard in all AEV ambulances, including the Type IIs, and the RollTek airbags are optional on the Type I, Type III and Medium-Duty ambulances.

REAL-WORLD, DYNAMIC, HIGH-SPEED CRASH TESTING

To ensure structural strength and integrity, we test our ambulances at speeds 27% above federal guidelines for passenger cars. We're also the first manufacturer to conduct a multi-vehicle, opposite-side crash test.

SAFETY INSIDE AND OUT

AEV focuses on building ambulances safely to protect our valued team. We began partnering with North Carolina OSHA in 2008, becoming a STAR manufacturer that not only meets but goes beyond health and safety regulations.

EQUIPMENT SAFETY LOCKOUTS

Our secure operating systems ensure only trained, qualified personnel can activate the most high-risk equipment in our manufacturing facility. This safety feature helps protect our team.

The American-Crafted Experience™

At the heart of AEV is our unwavering commitment to caring for our customers. We are inspired by a calling to build ambulances with the highest standards of American-crafted excellence and approach every relationship with equally high standards. We do that by manufacturing superior products and delivering an outstanding experience with a welcoming spirit and warmth that extends long after the sale.

AEV PRODUCT EXCELLENCE

We expertly craft the broadest range of ambulances available today, making AEV the number one selling brand in America.

QUALITY & SAFETY BUILT IN

With just-in-time, LEAN production processes and a focus on quality and safety, our talented craftspeople ensure superior value goes into every AEV ambulance.

AFTER SALES SUPPORT AND WARRANTY

At AEV, the purchase is just the beginning. We provide outstanding warranties, including up to 7-year/70,000-mile paint and electrical warranties and up to a 20-year structural warranty.

We proudly stand behind our products and care for you long after the sale with a dedicated network of independent dealers, backed by your AEV team. Our experienced team is ready to help you. Contact our sales team at **1-800-374-9749**, or find your local dealer at www.aev.com/dealer-locator.
